

TORRANCE PRIMARY SCHOOL SHARED LEARNING AT HOME

Fill in the reading log with the date, title and pages you have read. You can do this activity as any times as you like.

Find five things that float and five things than sink. Why do you think some items float and others sink?

Draw and label a picture of you and your family.

How many star jumps can you do in 30 seconds? Can you beat your own record?

Research the Arctic and Antarctic. What interesting facts can you find?

Write news about your favourite memory of P1 so far.

Make a pattern using household items. Does it repeat? Can you use pencils and paper to draw your own patterns?

How many words can you think of that rhyme with cat? How many words can you think of that rhyme with dog?

Play a board game with your family.

Find Body Coach 5 Minutes Kids Work Outs online. Are you able to try one every day?

Design and create a brand new maths board game.

Write an A-Z list of words linked to our Arctic and Antarctic topic. Can you think of one for every letter?

Login to spelling city. Play games to practise your common words

Make up a song, poem or rap something you have learned about at school (e.g. number, the jungle, dinosaurs, the arctic)

How many 'sh', 'ch', 'th' and 'ph' words can you think of?

Design a new front cover for some of your favourite books. Sheets have been provided

Use your toys to make a toy shop. How much does each toy cost? What coins will people need to buy them?

Using a simple recipe, help an adult to make some food or bake a cake.

Design an outfit for someone who lives in the arctic?

Count up to the highest number you can. What is the highest number you can count back from?

Child's Name:

Class: P1
