	some of the story setting images attached or the story starters.	-Planning page
Numeracy Outdoor Activity Centre	The Outdoor Activity Centre project revises 2 nd level concepts in a real life, problem solving context. The project is composed of 6 different design tasks. Design task 1 focuses on perimeter and area using problem solving strategies.	See attached resources: <ul style="list-style-type: none"> - Overview of Design Task 1 - Introduction PowerPoint - Values sheet - Constraints sheet - 1cm squared paper Perimeter revision: https://www.bbc.co.uk/bitesize/topics/zs7mn39/articles/zv677nb Area revision: https://www.bbc.co.uk/bitesize/guides/z2mtyrd/revision/1
Health and Wellbeing	Bike Ability - Level 2 In P6, pupils completed Bike Ability Level 1. Level 2 aims to develop riders' skills and confidence for cycling on single-lane roads and simple junctions. It is therefore important pupils have a good knowledge and understanding of road signs and the highway code.	Videos showing how to safely carry out manoeuvres on your bike: https://bikeability.org.uk/bikeability-training/bikeability-level-2/ Road sign activity: https://roadsafety.scot/learning/second/streetsense2/road-signs/
Other curricular area:	2 Crest SuperStar Challenges of your choice. P7 have already completed 4 of these challenges, a total of 8 need to be completed to qualify for the SuperStar Crest award. Most challenges/experiments can be completed with household resources.	Crest SuperStar booklet including a wide variety of challenges: https://primarylibrary.crestawards.org/all-superstar-challenges/61747644
