Literacy - writing	<p>Fact File Last week celebrated the 75th anniversary of VE Day, there were lots of newspaper articles</p>	

	<p>and documents providing information on this historical event, check out the one in the link in the next column. The Titanic is another famous, historical event and you can find information on that in this week's reading comprehension task.</p> <p>Your writing challenge this week is to consider a historical event that is of interest to you, research it and create a fun, eye-catching fact file about it.</p>	<p>VE Day fun facts: https://primaryfacts.com/959/ve-day-facts/</p> <p>Success Criteria: -I can take notes on a historical event then organise these under appropriate subheadings. -I can use my notes to create a fact file formatted appropriately e.g. subheadings, labelled diagrams, images etc. -I can include relevant ideas, knowledge and information.</p>
<p>Numeracy Outdoor Activity Centre</p>	<p>The Outdoor Activity Centre project revises 2nd level concepts in a real life, problem solving context. The project is composed of 6 different design tasks.</p> <p>Design task 5 focusses on shape.</p> <p><i>L.I:</i> I can use a variety of shapes to create an eye-catching logo for my Outdoor Activity Centre.</p>	<p>See attached resources:</p> <ul style="list-style-type: none"> - Overview of Design Task 5 - Logo Quiz - Logo Design Development <p>Shape revision: https://www.bbc.co.uk/bitesize/topics/zy72pv4</p>
<p>Health and Wellbeing</p>	<p>Bike Ability - Level 2 Continue to focus on how to safely carry out manoeuvres on a bike by watching the bike ability videos. Note for parents: The next stage would be to encourage children to begin some of these manoeuvres considering their positioning and signals. This can be done by chalking out junctions or on risk assessed, quiet junction with the close supervision of an adult.</p>	<p>Videos showing how to safely carry out manoeuvres on your bike: https://bikeability.org.uk/bikeability-training/bikeability-level-2/</p> <p>Road sign activity: https://roadsafety.scot/learning/second/streetsense2/road-signs/</p>
	<p>Transition</p> <p>Photographs Please could you send me a photograph of you in P1 and a photograph of you now? All will be revealed in due course! ecourtney@torrance.e-dunbarton.sch.uk</p>	

Questions

Have a think of any questions you have about high school that you would like answered. Create a document of these questions and if you are able to find the answers to these (maybe by asking an older sibling/friend) then do so, if not upload them to Dojo.

Skills Passport

This week, the pages you could consider from the skills passport are 'Growth Mindset: Your Brain Can Change'. We did a lot of work back at the beginning of P7 considering how we can have a growth mindset, have a look at the iceberg illusion in your skills booklet and write about a time when you took a growth mindset approach to a task.

Remember you can add the skills logos to ANY home learning or home activities you have been doing and I will share these with Mrs Campbell at Boclair Academy.
