Through the streets in my kilt I'll go,
And all the lassies shout hello
Donald where's your troosers.*

And I was feart that I would fall

Uist Tramping Song

Come along, come along,
Let us foot it out together.
Come along, come along,
Be it fair or stormy weather.
With the hills of home before us and
the purple of the heather
Let us sing in happy chorus.
Come along, come along.

My name you'll never guess
